

## Everybody Volunteering – Active Holidays Support Volunteers

**Schools Out.... Active Holidays are In. The holidays are about making memories, friendships and playing sport... We are looking for Volunteers to inspire young people make the most of the holidays in our great facilities. Can you motivate, enthuse and help the team be the best we can be?**

### **Experience, Training & Skills that may be needed for this Role:**

- A passion for Sport and being Active
- Comfortable working with young people at there level.
- Good understanding of Active Holidays offer, able to communicate to Children of all ages, parents, guardians and staff.
- Positive communication and customer care skills - able to work confidently with colleagues and the general public.
- A good team player – enthusiastic and willing to support and get involved.
- Conscientious, reliable, honest and punctual.
- Able to commit time in the holidays and be a valued member of the teams.

### **Environments, the type of places within our facilities where this role may occur.**

- Leisure Centre studios, sports halls, Centre facilities inside and outside.

### **Our Values**

**Fit for the Future** – Learn and upgrade your knowledge base to support participants of all abilities.

**Working as One** – Ensure all learners are safe and engaged at all times. All participants welcomed with a smile and professional service supporting swimming teaching staff.

**Trusted & Honest** – To show commitment to the scheme, being a positive member of staff with a passion for sport.

**In the Service of Others** – Understand the Active Holidays Programme within our leisure facilities and your role as a volunteer to support.

**Free to do our best** – Work using initiative and bring a professional approach to facilities.

**Caring for all** - Deliver good customer care and contribute to improving standards whilst understanding the different levels, abilities and learning styles.

**Please note that candidates for any volunteer role within Everybody Sport and Recreation may be required to undergo either a standard or enhanced DBS check subject to risk assessment.**
